25X1

1. The Cottbus (E 52/A 57) airfield was still unoccupied between 19 and 21 September 1950. Only three twin-engine planes were parked in front of a hangar. *

2. Grading was being done on the northern edge of the field and in the eastern extension of the runway. Some of the workers were Soviets who were equipped with special vehicles. **

25X1 3. 25X1

* Comment. No other reports have been received which indicate that the field has been reoccupied by an airunit. The three twin-engine planes were previously observed

** Comment. Work on the landing field was previously reported 25X1
